#### **11.2 Contestability**

If any amount paid to the Finance Parties under the Facilities Agreement or the Agreement and/or other Finance Documents meets (in the opinion of the Pledgee) the criteria under the applicable laws that it can be contested (in Slovak *odporovaný*) as a contestable transaction (in Slovak *odporovateľný úkon*) by a person competent to do so under the applicable laws, such sum shall not be deemed for the purposes of this Agreement as irrevocably paid.

#### **11.3 Validity and Effectiveness of the Agreement**

This Agreement shall enter into force and effect upon execution by both Parties and following its publication in the Central Register of Contracts maintained by the Government Office of the Slovak Republic and shall remain in full force and effect until the Pledge has been terminated in accordance with Clause 4 (*Termination of Pledge*).

#### **11.4 Applicable Law**

This Agreement shall be governed by and interpreted and construed in accordance with the laws of the Slovak Republic.

#### **11.5 Dispute Resolution**

- (a) The Parties declare and confirm that (i) the Pledgee offered the Pledgor prior to the execution of this Agreement and each other Finance Document existing as at the date hereof, the option to settle any disputes between the Pledgor and the Pledgee arising in connection with this Agreement before the Permanent Court of Arbitration of the Slovak Bank Association, established by the Slovak Bank Association with its seat at Rajská 15/A, 811 08 Bratislava, Slovak Republic, ID: 30 813 182 on July 1, 2003, and (ii) that the Pledgor has refused such offer.
- (b) To the extent the applicable law does not stipulate exclusive jurisdiction, any dispute, controversy or claim arising out of or in connection with this Agreement shall be finally resolved by the competent Slovak court. The foregoing sentence shall not limit (and shall not be construed as limiting) the right of the Pledgee to file an action to any court in a Relevant Jurisdiction or in a jurisdiction in which an action with respect to any other Finance Document has been or may be filed and filing an action in one

jurisdiction does not exclude filing and action in a different jurisdiction (simultaneously or subsequently), provided that and in the scope the valid legal regulations or relevant jurisdiction so allow.

#### **11.6 Successors and Assignees**

This Agreement shall be binding and inure to the benefit of each Party hereto and its successors, transferees and assigns. The rights and obligations of the Pledgee under this Agreement may be fully and unconditionally assigned, transferred or otherwise disposed of, in accordance with the Intercreditor Agreement.

#### **11.7 Waiver of Immunity**

To the extent that the Pledgor may be entitled in any jurisdiction to claim for itself or its assets immunity in respect of its obligations under this Agreement from any suit, execution, attachment (whether in stage of execution, before judgment or otherwise) or other legal process or to the extent that in any jurisdiction such immunity (whether or not claimed) may be attributed to it or its assets, the Pledgor irrevocably agrees not to claim and irrevocably waives such immunity to the fullest extent permitted by the laws of such jurisdiction.

#### **11.8 Remedies and Waivers**

No failure on the part of the Party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

#### **11.9 The Pledgee May Perform**

If the Pledgor fails to perform any of its obligations under this Agreement regarding the creation, perfection, maintenance or enforcement of the Pledge, the Pledgee may, but shall not be obligated to, perform to the fullest extent permitted by the applicable law, or cause the performance of, such obligations, and the documented expenses of the Pledgee incurred in connection with such performance shall be payable by the Pledgor in accordance with the Facilities Agreement.

#### **11.10 Severability**

If at any time any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, such illegality, invalidity or unenforceability shall not affect the legality, validity or enforceability of the remaining provisions of this Agreement or the legality, validity or enforceability of such provision under the law of any other jurisdiction. The Parties agree that in such a case the Pledgor shall, upon request of the Pledgee and within ten Business Days after receipt of such request from the Pledgee, enter into an amendment to this Agreement, in the form and substance satisfactory to the Pledgee, upon which such illegal, invalid or unenforceable part of this Agreement shall be replaced by incorporation of a provision which (i) best achieves the commercial effect that the Parties intended thereby, and (ii) is legal, valid and enforceable.

#### **11.11 Cumulative Rights**

The rights guaranteed under this Agreement shall be cumulative in respect to any and all further security held or to be held by the Pledgee (if any) to satisfy the Secured Receivables. The Pledgee may resort to any security, whether existing now or in the future, in order to satisfy such receivables in such ratios and order, as the Pledgee (if any) upon its sole decision

may deem appropriate. The provisions of this Agreement shall not be prejudicial to the Pledgee's right to seek additional security or limitation of the Pledgor's obligations to provide security in accordance with terms of the Facilities Agreement.

**11.12 Schedules and Amendments**

Schedules to this Agreement form its integral part. This Agreement may only be amended by means of written amendments.
