

## The Logo of DBU\*

The guidelines\* of the German Federal Environmental Foundation (DBU) provide that subsidized projects using the logo of the Foundation with a visible indication "Supported by Deutsche Bundesstiftung Umwelt".

The information "Sponsored by Deutsche Bundesstiftung Umwelt" and the imprint of the logo are to be placed clearly visible in buildings, land and movable objects.

Publications (brochures, invitations, programs, press statements, etc.), which are linked to a DBU-funded project, are also to be marked by the logo and the above sentence.

A company and product advertising with the promotional notice and / or the mark of the German Federal Environmental Foundation is not permitted without the express consent of the foundation.

The logo consists of three elements: the lettering, a stylized tree, and the colored bar with the Internet address. It is always to be used completely and is available in German as well as in English.

The information "Sponsored by Deutsche Bundesstiftung Umwelt " must be accompanied by a description of the color logo and the full name of the foundation.

The logo of the German Federal Environmental Foundation can only be used in its kind and color, as shown here, and can only be changed in the size (proportionally).

We would like to point out that all copyrights for the use of the logo lie with the German Federal Environmental Foundation (DBU).

In order to be able to use the desired text and image data, the different logos are available as a download on the DBU website [www.dbu.de](http://www.dbu.de).

A glass sign (see illustration on the left) is available free of charge for mounting on buildings; for equipment etc. a sticker in various sizes and designs (see figure on the right);

Both of which are available from the DBU's specialist advisors.
