This statement must include a consolidated financial statement and a breakdown of the amounts declared or requested by the partner and its affiliated entities, aggregating the financial statements already submitted previously and indicating the receipts referred to in Article II.25.3 of the Framework agreement for the partner and its affiliated entities.

The summary financial statement must be drawn up in accordance with Annex V of the Framework agreement;

4.6 Currency for requests for payment and financial statements and conversion into euro

Requests for payment and financial statements must be drafted in euros.

The partner and affiliated entities with general accounts in a currency other than the euro must convert costs incurred in another currency into euros at the average of the daily exchange rates published in the C series of the *Official Journal of the European Union* (available at <http://www.ecb.europa.eu/stats/exchange/eurofxref/html/index.en.html>),) as well as on the ReferNet Extranet, determined over the corresponding reporting period.

The partner and affiliated entities with general accounts in euros must convert costs incurred in another currency into euros in accordance with their usual accounting practices.

4.7 Language of requests for payments, technical reports and financial statements

All requests for payments, technical reports and financial statements must be submitted in English.

ARTICLE 5 — PAYMENTS AND PAYMENT ARRANGEMENTS

5.1 Payments to be made

Cedefop must make the following payments to the partner:

- one pre-financing payment, on the basis of the request for the pre-financing payment referred to in Article 4.2.;
- one payment of the balance, on the basis of the request for payment of the balance referred to in Article 4.4.

5.2 Pre-financing payment

The aim of the pre-financing is to provide the partner with a float. The pre-financing remains the property of Cedefop until it is cleared against interim payments or, if it is not cleared against interim payments, until the payment of the balance.

Cedefop must make the pre-financing payment of **EUR 20175** to the partner within 30 calendar days from the date of receipt of the request for a pre-financing payment, except if Article II.24.1 of the Framework agreement applies.

5.3 Interim payment - Not applicable.

5.4 Payment of the balance

The payment of the balance reimburses or covers the remaining part of the eligible costs incurred by the partner for the implementation of the action.

If the total amount of earlier payments is greater than the final amount of the grant determined in accordance with Article II.25 of the Framework agreement, the payment of the balance takes the form of a recovery as provided for by Article II.26 of the Framework agreement.

If the total amount of earlier payments is lower than the final amount of the grant determined in accordance with Article II.25 of the Framework agreement, Cedefop must pay the balance within 60 calendar days from when it receives the documents referred to in Article 4.4, except if Article II.24.1 or II.24.2 of the Framework agreement apply.

Payment is subject to the approval of the request for payment of the balance and of the accompanying documents. Their approval does not imply recognition of the compliance, authenticity, completeness or correctness of their content.

Cedefop determines the amount due as the balance by deducting the total amount of pre-financing and interim payments (if any) already made from the final amount of the grant determined in accordance with Article II.25 of the Framework agreement.

The amount to be paid may, however, be offset, without the partner's consent, against any other amount owed by the partner to the Commission or to an executive agency (under the EU or Euratom budget), up to the maximum amount of the grant.

5.5 Notification of amounts due

Cedefop must send a *formal notification* to the partner:

- (a) informing it of the amount due; and
- (b) specifying whether the notification concerns a further pre-financing payment, an interim payment or the payment of the balance.

For the payment of the balance, Cedefop must also specify the final amount of the grant determined in accordance with Article II.25 of the Framework agreement.

5.6 Interest on late payment

If Cedefop does not pay within the time limits for payment, the partner is entitled to late-payment interest at the rate applied by the European Central Bank for its main refinancing operations in euros ('the reference rate'), plus three and a half points. The reference rate is the rate in force on the first day of the month in which the time limit for payment expires, as published in the C series of the *Official Journal of the European Union*.

Late-payment interest is not due if the partner is a Member State of the Union (including regional and local government authorities and other public bodies acting in the name of and on behalf of the Member State for the purpose of the Framework agreement and the Specific agreement).

If Cedefop suspends the time limit for payment as provided for in Article II.24.2 of the Framework agreement or if it suspends payments as provided for in Article II.24.1 of the Framework agreement, these actions may not be considered as cases of late payment.

Late-payment interest covers the period running from the day following the due date for payment, up to and including the date of actual payment as established in Article 5.8. Cedefop does not consider payable interest when determining the final amount of grant within the meaning of Article II.25 of the Framework agreement.

As an exception to the first subparagraph, if the calculated interest is lower than or equal to EUR 200, it must be paid to the partner only if the partner requests it within two months of receiving late payment.

5.7 Currency for payments

Cedefop must make payments in euros.

5.8 Date of payment

Payments by Cedefop are considered to have been carried out on the date when they are debited to its account.

5.9 Costs of payment transfers

Costs of the payment transfers are borne as follows:

- (a) Cedefop bears the costs of transfer charged by its bank;
- (b) the partner bears the costs of transfer charged by its bank;
- (c) the party causing a repetition of a transfer bears all costs of repeated transfers.
