

Terms of Reference for an Independent Report of Factual Findings on costs declared under a Grant Agreement financed under the Connecting Europe Facility (CEF)
Terms of Reference number: CEF/1356330/2022

This document sets out the ‘**Terms of Reference (ToR)**’ under which

Železnice Slovenskej republiky, Klemensova 8, 813 61 Bratislava, Slovenská republika, Registration number: 31 364 501, represented by Director General, Ing. Miloslav Havrila (‘the Beneficiary’) agrees to engage

BDO Audit, spol. s r.o., Pribinova 10, 811 09 Bratislava, Slovenská republika, Registration number: 44 455 526, represented by Managing Partner Peter Gunda (‘the Auditor’)

to produce an independent report of factual findings (‘the Report’) concerning the Financial Statement(s)¹ drawn up by the Beneficiary for the CEF grant agreement INEA/CEF/TRAN/M2016/1356330, **Upgrade of the Váh – Varín – Strečno railway section**, 2016-SK-TMC-0219-W, duration from 07/02/2017 to 31/12/2022 (‘the Agreement’), and to issue a Certificate on the Financial Statements (‘CFS’) referred to in Article II.23.2 of the Agreement based on the compulsory reporting template stipulated by the Commission.

The Agreement has been concluded under the Connecting Europe Facility (CEF) Transport sector between the Beneficiary and the Innovation and Networks Executive Agency (INEA) from 01/04/2021 the European Climate, Infrastructure and Environment Executive Agency (CINEA) (‘the Agency’), under the powers delegated by the European Commission (‘the Commission’).

The Agency is mentioned as a signatory of the Agreement with the Beneficiary only. The Agency is not a party to this engagement.

1.1 Subject of the engagement

The Beneficiary must submit to the Agency the request for interim payment within 8 months following the end of the reporting period which should include, amongst other documents, a CFS for each beneficiary, each Affiliated Entity and Implementing Body, for which a total contribution of EUR 325 000 or more is requested, as reimbursement of actual eligible costs and unit costs calculated on the basis of its usual cost accounting practices (see Article II.23.2 of the Agreement). The CFS must cover all reporting periods of the beneficiary, Affiliated Entity or Implementing Body indicated above.

The Beneficiary must submit to the Agency the CFS covering the total declared costs for itself, its Affiliated Entity(ies) and its Implementing Body(ies), if the CFS must be included in the request for interim payment according to Article II.23.2 of the Agreement.

The CFS is composed of two separate documents:

- The Terms of Reference (‘the ToR’) to be signed by the Beneficiary and the Auditor;
- The Auditor’s Independent Report of Factual Findings (‘the Report’) to be issued on the Auditor’s letterhead, dated, stamped and signed by the Auditor (or the competent public officer) which includes the agreed-upon procedures (‘the Procedures’) to be performed by the Auditor, and the standard factual findings (‘the Findings’) to be confirmed by the Auditor.

If the CFS must be included in the interim report according to Article II.23.2 of the Agreement, the request for interim payment relating to the Agreement cannot be made without the CFS. However, the payment for reimbursement of costs covered by the CFS does not preclude the Commission, the

¹ By which costs under the Agreement are declared (see template ‘Model Financial Statement(s)’ in Annex VI to the Grant Agreement).

Agency, the European Anti-Fraud Office and the European Court of Auditors from carrying out checks, reviews, audits and investigations in accordance with Article II.27 of the Agreement.

1.2 Responsibilities

The Beneficiary:

- must draw up the Financial Statement(s) for the action financed by the Agreement in compliance with the obligations under the Agreement. The Financial Statement(s) must be drawn up according to the Beneficiary's accounting and book-keeping system and the underlying accounts and records;
- must send the Financial Statement(s) to the Auditor;
- is responsible and liable for the accuracy of the Financial Statement(s);

It must provide the Auditor with a written representation letter supporting these statements. The written representation letter must state the period covered by the statements and must be dated;

The Auditor:

- is qualified to carry out statutory audits of accounting documents in accordance with Directive 2006/43/EC of the European Parliament and of the Council of 17 May 2006 on statutory audits of annual accounts and consolidated accounts, amending Council Directives 78/660/EEC and 83/349/EEC and repealing Council Directive 84/253/EEC or similar national regulations.

- must adhere to the Procedures laid down and the compulsory report format;
- must carry out the engagement in accordance with this ToR;
- must document matters which are important to support the Report;
- must base its Report on the evidence gathered;
- must submit the Report to the Beneficiary.

The Agency sets out the Procedures to be carried out by the Auditor. The Auditor is not responsible for their suitability or pertinence. As this engagement is not an assurance engagement, the Auditor does not provide an audit opinion or a statement of assurance.

1.3 Applicable Standards

The Auditor must comply with these Terms of Reference and with²:

- the International Standard on Related Services ('ISRS') 4400 *Engagements to perform Agreed-upon Procedures regarding Financial Information* as issued by the International Auditing and Assurance Standards Board (IAASB);

- the *Code of Ethics for Professional Accountants* issued by the International Ethics Standards Board for Accountants (IESBA). Although ISRS 4400 states that independence is not a requirement for engagements to carry out agreed-upon procedures, the Agency requires that the Auditor also complies with the Code's independence requirements.

The Auditor's Report must state that there is no conflict of interests in establishing this Report between the Auditor and the Beneficiary and must specify - if the service is invoiced - the total fee paid to the Auditor for providing the Report.

1.4 Reporting

In particular, the Auditor undertakes to collect personal data exclusively for the purpose stated in the ToR, to process personal data only to the necessary extent and for a period of time, to maintain

confidentiality of all data provided and to ensure that all persons authorized to process personal data are bound by professional secrecy. At the same time, the Auditor undertakes to ensure that appropriate technical and organizational measures are taken in accordance with the GDPR and the Personal Data Protection Act to prevent misuse, theft, unauthorized disclosure or other unacceptable forms of processing in connection with received documents.

Further information on the processing of personal data and rights is provided in Annex 1.6.5.A Conditions for personal data processing.

The Auditor is obliged to inform all related entities about the Beneficiary's policy on the 'Principles of Personal Data Protection' made available at <https://www.zsr.sk/ou.html>.

1.6.6 Obligations of the Auditor in relation to the direct subcontractors

- 1.6.6.1 The Auditor shall be liable to the Beneficiary for any acts, negligence, failure or omissions in the performance of the obligations or necessary actions in a proper and timely manner of the subcontractors at any level, as if they were acts, negligence, failure or omissions in the performance of the obligations or necessary actions in a proper and timely manner of the Auditor himself.
- 1.6.6.2 The Auditor is entitled to entrust part of the ToR performance only to those subcontractors who are listed in the List of direct subcontractors, that forms Annex 1.6.6.A ('Annex 1.6.6.A' or 'the List') or who will be added to the List in accordance with point 1.6.6.3 or 1.6.6.4. This does not apply in case of a subcontractor who is exclusively the supplier of the goods.
- 1.6.6.3 The Auditor is entitled to change the subcontractor stated in the List during the ToR performance only with the prior written consent of the Beneficiary. In the Auditor's written request for consent, the Auditor is obliged to include all the data on the subcontractor in the scope stated in the List. The Beneficiary shall notify the Auditor in writing of his decision within 5 days from the date of receipt of the request for consent and in case of non-consent the Beneficiary shall state the reasons for non-consent. If the Beneficiary does not respond within the time limit according to the previous sentence, it means the Beneficiary's consent to the subcontractor.

The Auditor is obliged to comply with the request for replacement in accordance with point 1.6.6.3 no later than 30 days from the date of receipt of the Beneficiary's request or to notify the Beneficiary within this period that he will perform the relevant part of performance himself. The Beneficiary's request to replace the subcontractor under this point does not affect the Auditor's obligation to perform properly and in a timely manner on the basis of the ToR.
- 1.6.6.5 If there is a change in the subcontractors during the ToR performance, the Auditor is obliged to submit the current List to the Beneficiary within 5 working days from the date of concluding the contract with the new subcontractor (adding the subcontractor to the List) or from the date of termination of the contract with the subcontractor (omission of the subcontractor from the List without replacement). The current List will be submitted in the scope of data according to Annex 1.6.6.A.
- 1.6.6.6 The Auditor is obliged to notify the Beneficiary in writing of any change in the data on the subcontractor, no later than within 10 days from when he became aware of the change. The term 'data on the subcontractor' means in particular the data listed in Annex 1.6.6.A, change in the legal form of the subcontractor, change in the share capital of the subcontractor, commencement of bankruptcy proceedings, restructuring proceedings or liquidation of the subcontractor.

This ToR is drawn up in English in five originals, one original being for the Auditor, three originals being for the Beneficiary and one original will be submitted to the Agency as part of the CFS. This ToR shall enter into force on the date on which the last party signs and take effect on the day following that of its publication in the Central register of contracts kept by the Slovak republic Government Office.

Mutual relations of the Parties are governed by the provisions of Act No. 513/1991 Coll. Commercial Code, in the alternative by the provisions of Act No. 40/1964 Coll. Civil Code as amended and other relevant legal regulations of the Slovak Republic.

All possible disputes will be resolved by the parties primarily through conciliation. In the case of disputes that cannot be resolved by agreement of the Parties, one of the Parties will request a decision from the competent court of the Slovak Republic. The Parties have agreed that the ToR and all relations arising from it will be governed by the law of the Slovak Republic.

[name and function of an authorised representative],

have carried out the procedures agreed with you regarding the costs declared in the Financial Statement(s)³ of the Beneficiary concerning the grant INEA/CEF/TRAN/M2016/1356330, Upgrade of the Váh – Varín – Strečno railway section, 2016-SK-TMC-0219-W ('the Agreement'),

with a total cost declared of EUR [total amount],

and **hereby provide our Independent Report of Factual Findings ('the Report')** using the compulsory report format agreed with you.

The Report

Our engagement was carried out in accordance with the terms of reference ('the ToR') appended to this Report. The Report includes the agreed-upon procedures ('the Procedures') carried out and the standard factual findings ('the Findings') examined.

The Procedures were carried out solely to assist the Agency in evaluating whether the Beneficiary's costs in the accompanying Financial Statement(s) were declared in accordance with the Agreement. The Agency draws its own conclusions from the Report and any additional information it may require.

The scope of the Procedures was defined by the Agency. Therefore, the Auditor is not responsible for their suitability or pertinence. Since the Procedures carried out constitute neither an audit nor a review made in accordance with International Standards on Auditing or International Standards on Review Engagements, the Auditor does not give a statement of assurance on the Financial Statements.

Had the Auditor carried out additional procedures or an audit of the Beneficiary's Financial Statements in accordance with International Standards on Auditing or International Standards on Review

³ By which the Beneficiary declares costs under the Agreement (see template 'Model Financial Statement(s)' in Annex VI to the Agreement).

Engagements, other matters might have come to its attention and would have been included in the Report.

Not applicable Findings

We examined the Financial Statement(s) stated above and considered the following Findings not applicable:

Explanation (to be removed from the Report):

If a Finding was not applicable, it must be marked as 'N.A.' ('Not applicable') in the corresponding row on the right-hand column of the table and means that the Finding did not have to be corroborated by the Auditor and the related Procedure(s) did not have to be carried out.

The reasons of the non-application of a certain Finding must be obvious i.e.:

- i) if no cost was declared under a certain category then the related Finding(s) and Procedure(s) are not applicable;*
- ii) if the condition set to apply certain Procedure(s) are not met the related Finding(s) and those Procedure(s) are not applicable. For instance, for 'beneficiaries with accounts established in a currency other than euro' the Procedure and Finding related to 'beneficiaries with accounts established in euro' are not applicable. Similarly, if no additional remuneration is paid, the related Finding(s) and Procedure(s) for additional remuneration are not applicable.*

List here all Findings considered not applicable for the present engagement and explain the reasons of the non-applicability.

....

Exceptions

Apart from the exceptions listed below, the Beneficiary provided the Auditor all the documentation and accounting information needed by the Auditor to carry out the requested Procedures and evaluate the Findings.

Explanation (to be removed from the Report):

- If the Auditor was not able to successfully complete a procedure requested, it must be marked as 'E' ('Exception') in the corresponding row on the right-hand column of the table. The reason such as the inability to reconcile key information or the unavailability of data that prevents the Auditor from carrying out the Procedure must be indicated below.*
- If the Auditor cannot corroborate a standard finding after having carried out the corresponding procedure, it must also be marked as 'E' ('Exception') and, where possible, the reasons why the Finding was not fulfilled and its possible impact must be explained here below.*

List here any exceptions and add any information on the cause and possible consequences of each exception, if known. If the exception is quantifiable, include the corresponding amount.

....

Example (to be removed from the Report):

- 1. The Beneficiary was unable to substantiate the Finding number 1 on ... because*
- 2. After carrying out the agreed procedures to confirm the Finding number 31, the Auditor found a difference of EUR _____. The difference can be explained by ...*

Further Remarks

In addition to reporting on the results of the specific procedures carried out, the Auditor would like to make the following general remarks:

Example (to be removed from the Report):

- 1. Regarding Finding number 8 the conditions for additional remuneration were considered as fulfilled because ...*
- 2. In order to be able to confirm the Finding number 15 we carried out the following additional procedures:*

Use of this Report

This Report may be used only for the purpose described in the above objective. It was prepared solely for the confidential use of the Beneficiary and the Agency, and only to be submitted to the Agency in connection with the requirements set out in Article II.23.2 of the Agreement. The Report may not be used by the Beneficiary or by the Agency for any other purpose, nor may it be distributed to any other parties.

The Agency may only disclose the Report to authorised parties, in particular to the European Anti-Fraud Office (OLAF) and the European Court of Auditors.

This Report relates only to the Financial Statement(s) submitted to the Agency by the Beneficiary for the Agreement. Therefore, it does not extend to any other of the Beneficiary's Financial Statement(s).

There was no conflict of interest⁴ between the Auditor and the Beneficiary in establishing this Report. The total fee paid to the Auditor for providing the Report was EUR [redacted] (including EUR [redacted] of deductible VAT).

We look forward to discussing our Report with you and would be pleased to provide any further information or assistance.

Annex 2: Certified Financial Statement sampled transactions

⁴ A conflict of interest arises when the Auditor's objectivity to establish the certificate is compromised in fact or in appearance when the Auditor for instance:

- was involved in the preparation of the Financial Statements or in providing consultancy advice on the related operations or underlying transactions;
- stands to benefit directly should the certificate be accepted;
- has a close relationship with any person representing the beneficiary, the affiliated entity or the implementing body;
- is a director, trustee or partner of the beneficiary, the affiliated entity or the implementing body; or
- is in any other situation that compromises his or her independence or ability to establish the certificate impartially.

Agreed-upon procedures to be performed and standard factual findings to be confirmed by the Auditor

The Agency reserves the right to i) provide the Auditor with additional guidance regarding the procedures to be followed or the facts to be ascertained and the way in which to present them (this may include sample coverage and findings) or to ii) change the procedures, by notifying the Beneficiary in writing. The procedures carried out by the Auditor to confirm the standard factual finding are listed in the table below.

If this certificate relates to an Affiliated Entity or Implementing Body, any reference here below to 'the Beneficiary' is to be considered as a reference to 'the Affiliated Entity' or 'Implementing Body' respectively.

The 'result' column has three different options: 'C', 'E' and 'N.A.':

- 'C' stands for 'confirmed' and means that the Auditor can confirm the 'standard factual finding' and, therefore, there is no exception to be reported.
- 'E' stands for 'exception' and means that the Auditor carried out the procedures but cannot confirm the 'standard factual finding', or that the Auditor was not able to carry out a specific procedure (e.g. because it was impossible to reconcile key information or data were unavailable),
- 'N.A.' stands for 'not applicable' and means that the Finding did not have to be examined by the Auditor and the related Procedure(s) did not have to be carried out. The reasons of the non-application of a certain Finding must be obvious i.e. i) if no cost was declared under a certain category then the related Finding(s) and Procedure(s) are not applicable; ii) if the condition set to apply certain Procedure(s) are not met then the related Finding(s) and Procedure(s) are not applicable. For instance, for 'beneficiaries with accounts established in a currency other than the euro' the Procedure related to 'beneficiaries with accounts established in euro' is not applicable. Similarly, if no additional remuneration is paid, the related Finding(s) and Procedure(s) for additional remuneration are not applicable.

Sampling Requirements and Reporting of Sampled Transactions

The sampling requirements for each cost category are defined in section A-F of the table below. The sampled transactions overall **must** cover at least 10% of the total declared costs on the financial statement.

If, following the sampling instructions in each section of the table below, an overall financial coverage of 10% of declared costs is not obtained, additional transactions should be tested to achieve this minimum financial coverage. The method used to select the additional transactions is at the discretion of the auditor.

In order for CINEA to identify the sampled transactions, and verify the overall coverage target, the auditor **must** provide the sampled transactions from the certified financial statement at Annex 2.

There is no requirement to separately identify transactions sampled under different cost categories.
