Important Notes: We strongly recommend that a dedicated ADSL line be used for transporting Credit & Debit Card Transactions (Not relevant for GPRS Equipment.). Your ADSL Line at your premises must be within the vicinity of our equipment. If you elect to utilise your own network, as opposed to a dedicated ADSL line, you acknowledge your PCI-DSS responsibility, and warrant that you have all necessary competencies to configure your network to enable our service to operate.

IMPORTANT: If you operate a Purchase Order (PO) system, it is under your responsibility to provide us with the relevant PO number information. By default this contract will be deemed to stand as your PO in absence or in lieu of your PO information, if not supplied.

You have read this Agreement and by signing below both You and Us agree that this document, including the Terms & Conditions hereafter, constitutes the entire Agreement. By signing You also confirm that you are authorised to sign on behalf of You.
