NOTICE:

Hyrel is a simple company dedicated to helping people solve their problems. The equipment we design and build is produced with our best efforts and engineering practices. Our Products are meant to enable the customer to do unusual functions and processes. It is the sole responsibility of the customer to operate the equipment in a safe manner. Hyrel only accepts Liability up to the actual cost (without shipping charges) of the equipment itself. Fitness of the application and safe operation of the equipment is the sole responsibility of the customer. This policy is supreme over all other clauses in ANY purchase order or business interaction with Hyrel.
All products sold by Hyrel International, Inc. are shipped according to INCO terms EXWorks, with customers taking ownership at our Norcross, GA address. All customers are legally responsible for any taxes or other fees required by National, Regional, and/or Local Government laws and rules. See <http://hyrel3d.com/terms-conditions>
