Enclosure 1: Outline description of Aircraft De-icer  
Elephant MY ON2009, built 2018.

**1. Subject of the Contract**

1.1 The subject of this Contract is to stipulate the conditions for Lessee's rental of an Aircraft De-icer from Lessor ("Equipment", specified in Enclosure 1).

**2. Agreement**

As per signing date of this Rental Contract, the following is agreed:

- 2.1 Starting on 15 May 2019, Lessee will receive the Equipment for use at its airport operation (airside only) in Bratislava/Slovakia.
- 2.2 The rental expires automatically on no later than 31 July 2019 or earlier as may be agreed by the Parties.
- 2.3 At the time of expiry, Lessee is to hand over the Equipment to Lessor's representative, at a suitable place on landside at Bratislava Airport and Lessee must ensure, that the Equipment is in fully drivable and operational condition, have at least ¼ full fuel tank and be prepared for transport on own wheels (ref. Lessor's instructions).
- 2.4 During this Rental Period, Lessee bears full responsibility for the Equipment, and must – if requested by Lessor – be able to present valid insurance coverage. Further, any and all operational (fuel/lubricants etc.) and all maintenance costs during the Rental Period are to be covered by Lessee.
