In that case, a complementary private health insurance may be needed. Liability

and accident insurances cover damages caused by the participant or to the participant during their stay abroad. Varying regulation of these insurances is in place in different countries and participants run the risk of not being covered by standard schemes, for example if they are not considered to be employees or formally enrolled at their receiving organisation. In addition to the above, insurance against loss or theft of documents, travel tickets and luggage is recommended. It is recommended to also include the following information: Insurance provider(s), insurance number and insurance policy.

5.3 The responsible party for taking the insurance coverage is the participant.

ARTICLE 6 – PARTICIPANT REPORT

The participant shall complete and submit the participant report on their mobility experience (via the online EU Survey tool) within 30 calendar days upon receipt of the invitation to complete it.
