Approved: MSM 2024-09-12

## Copyright Transfer and Licensing Agreement for EURAMET European Metrology Networks (EMNs)

Name of EMN Member or Partner      Slovak Institute of Metrology (SMU)

Address of EMN Member or Partner      Karloveska 63, 842 55 Bratislava, Slovakia

### I. Copyright Transfer

European Metrology Networks are an integral part of EURAMET e.V. Therefore, it is the policy of EURAMET to own the copyright to all documents and works relating to their governance, strategy and orientation to protect the interests of the association while ensuring the appropriate use and dissemination of such materials.

In particular, these materials are:

- EMN Strategic Research (and Innovation) Agenda
- EMN Strategic Agenda
- EMN Orientation Paper(s)

The EMN Member or Partner designated above hereby assigns, to the extent transferable, copyright of such documents and/or contributions to such documents, in all forms and media, now or hereafter known, created in the context of the EMNs of which they are a Member or Partner to EURAMET e.V.

### II. Copyright License

#### 1. Scope

Other works (e.g., training materials, images, documents) made available to EURAMET e.V. for purposes of such EMNs may be used, in their entirety or in part, by EURAMET e.V. temporally and geographically unlimited for communication and publicising activities to further the purposes of the EMNs and EURAMET e.V. in all forms and media, now or hereafter known non-exclusively and until further notice.

Such use includes but is not limited to publishing, posting, (post-)processing, transmission, storage, distribution, translation, alteration, editing, conversion and quoting excerpts in all media now known or later discovered, particularly in the context of EURAMET e.V. websites, EMN websites and EURAMET e.V. social media accounts.

Specific restrictions with regard to their use and/or burdens with third parties' rights must be included with the licensed works.

#### 2. Copyright notice

A copyright notice shall be included in any works made available to EURAMET e.V. under this section. EURAMET e.V. will acknowledge any copyright owner according to such notice.

### III. Terms and Conditions

#### 1. Third party rights

The Member/Partner assures that the works transferred or licensed under this Agreement are not burdened with any rights of third parties that could prevent EURAMET e.V. from using them for the purposes and within the scope set out in this Agreement.

The Member/Partner will indemnify EURAMET e.V. against all third-party claims made against EURAMET e.V. arising out of or in connection with EURAMET e.V.'s use of the works as foreseen by this Agreement.

#### 2. Royalties

The Member/Partner provides any material transferred or licensed under this agreement free of charge.

#### 3. EURAMET Logo

The Member/Partner may not use the EURAMET e.V. logo(s) or corporate design without the explicit written consent of EURAMET e.V.

#### 4. Applicable Law

This Agreement is subject to German law.
